

REMARKS

Applicants have provided a corrected Sequence Listing in response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures and an amendment to the specification to correct reference to certain sequences. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

*Fees*

No fees are believed to be necessitated by this response. However, if this is in error, or if a petition for extension of time is required for timely acceptance of same, the Commissioner is hereby authorized to charge Deposit Account No. 11-1153 for any such fees; and applicants hereby petition for any needed extension of time.

Respectfully submitted,
